

Ralph Page Dance Legacy Weekend Scholarship Application

The thirty-first Ralph Page Dance Legacy Weekend takes place January 12 - 14, 2018, at the Memorial Union Building on the U.N.H. campus in Durham, NH. This annual event is a celebration of the traditional music and dance of New England - contras, squares and more.

Our 31st year Celebration features callers Mary DesRosiers, Lisa Greenleaf and Steve Zakon-Anderson. Music will be provided by Keith Murphy, Becky Tracy and Andy Davis, Julie Metcalf and Conor Sleith, Laurie Andres and the Sugar River String Band (Jane and Russell Orzechowski and Sarah Bauhan). We will recognize the many contributions of Bob McQuillen during the weekend.

For more information, please see: <http://ralphpage.neffa.org>

Musician and Caller Scholarships are an important part of the weekend and are available to those interested in furthering their study of contra dance music and calling. The ideal caller applicant is one who already has some experience calling for dances. The ideal musician applicant is proficient on their chosen instrument, and has had at least some experience playing for dances.

Scholarships cover admission for the entire weekend, Friday evening's pot luck and Saturday evening's banquet. Scholarship recipients will attend workshops in their areas of interest and will "shadow" staff musicians and callers. Recipients are expected to provide the Ralph Page Committee with a brief written reflection of their weekend experience before Feb. 1, 2018.
